

LABELLING UNIFORM

Woven nametapes are recommended. For easy identification by your child, ask for a capital and lower case. You can then request that they add your home telephone number.

ALL CLOTHES DO NEED TO BE MARKED

PE Kits are the items of clothing most commonly lost and to this end we would ask all children to have a special extra large label with 'surname' only, sewn on the front of each item of their PE kit.

'NW4 HALF INCH ALL PURPOSE TAGS - STYLE 15'

'Alleycatz' our school outfitters and also 'Mapac', have both agreed to pay the school a rate of commission for every order placed.

Please ensure that you put your own address on the form, as orders will be sent directly.

The extra large name label should be sewn onto the kit to the front left of each item (as you look at the item from the front). The labels should be **royal blue writing on a white background**.

Your child will need all obligatory items on the uniform list.
